HELP KEEP OUR HERITAGE ALIVE

Students and visitors from all over the country and the world are drawn to the Anthracite Heritage Museum and the Scranton Iron Furnaces.

Just think, here, in our own backyard, the discovery of coal and the manufacturing of T-Rails at the Scranton Iron Furnaces changed America forever.

The Museum has a wonderful group of volunteers who serve as docents, support curatorial efforts, staff the museum and book store, and aid in reception, gardening, and educational programs.
